

British Association for
Psychoanalytic and
Psychodynamic
Supervision

WELCOME TO THE BAPPS WEB SITE REGISTER

If you are looking for a supervisor we hope that you will find a suitable one from among our members.

For ease of reference please note that **BAPPS** members are listed geographically, alphabetically, with their contact telephone number and e-mail address.

The London Postal Area is divided into quarters. Outside London members are listed either in counties or in more sparsely populated areas in larger geographical regions; in these latter cases the name of the county or nearest town is added.

- The initial letters after members' names identify their **therapeutic background**.
- "BACP" and "UKRC" indicate the member has a (normally psychodynamic) counselling training.
- "UKCP" or "BPC" denote members who have a (normally) psychodynamic psychotherapy or analytical training.

Please note that you are responsible for ensuring that the person's therapy qualification, supervisor qualification and experience meet your professional requirements. For further information please consult our other web pages or use our [contact form](#).
